

**THIS TIME IT'S A CARD

**DON'T LET  
IT BE A  
BURGLAR**

# REMEMBER OPEN WINDOWS AND DOORS ARE AN INVITATION FOR BURGLARS

Always lock up, even if you're out the back enjoying a barbecue, doing a spot of gardening or in another room.

# YOUR HOME IS YOUR CASTLE

Protect it this summer by following this advice:

- Check doors and windows are closed and locked when leaving your home.
- When you're inside don't leave windows and doors open when you leave a room.
- Don't leave mobiles, keys, wallets or handbags near to an open window, door or even a cat flap.
- Don't leave sheds and garages unlocked when going out or inside your home.
- Register all property with a serial number for free on the national property database, [www.immobilise.com](http://www.immobilise.com)
