

Come together with **Farmwatch**

FARMWATCH is about you and your neighbours coming together to help reduce opportunities for rural crime.

By co-operating with each other and sharing information we can help to prevent many rural crimes from happening in the first place, thus making your rural community a safer and more crime free area in which to live and work.

Benefits of Farmwatch:

- It shows that members of the farming community are looking out for each other.
- Keeps you up to date with that's going on in your area.
- Working closely with the police, helps to prevent and tackle crime.
