**DO NOT PRINT**

# Relentless on theft

- Keep your phone, bag, pursej wallet, iPod, cameras, etc out of sight – don't advertise your stuff to thieves.
- Keep your valuables on your person and never leave them unattended.
- Don't hang bags containing all your valuables on the backs of chairs or tucked under tables where you can't see them.
- Never put wallets and mobile phones in back pockets where they're visible and you're less likely to notice them being taken.
- Be vigilant and aware of your surroundings – if you see anyone acting suspiciously, call the police immediately.
- Never put your phone down on a table or in the pocket of your jacket and then leave it unattended.
- As soon as you buy a new phone make a note of your IMEI number.
- Always register your phone with your phone company.
- Always use your security password to lock your phone.
- Always enable the tracking software on your phone.
- Make sure your phone is insured.
- Register your phone and any other property with a serial number at [www.irmmobilise.com](http://www.irmmobilise.com)
