Help prevent crime at the door

# Doorstep criminals

We want to stop the criminals  
who prey on elderly and  
vulnerable people

- Rogue traders give genuine tradesmen a bad name
- They rip off the most vulnerable people in our community
- They take money from those who can least afford to lose it
- The impact of these offences on the victims, particularly the elderly, can lead to poor physical and mental health
- Help us stop them giving you a bad name

Always **call 999** if you think a crime is in progress  
**Call 101** if it's not an emergency
